Hi David and Chris -

See this invite from AMA for Administrator Pruitt to visit Alaska in conjunction with an AMA conference in Fairbanks at the end of March.

I believe this was prompted by both the decision to suspend the PD withdrawal and the Administrator's recent visit to mines in Nevada.

EPAs Office of Policy Smart Sector mining lead (Bob Sachs) is aware of this request and is meeting with Daisy Letendre tomorrow to discuss. I asked that we be made aware of any such visit with the AMA.

I will let you know if I hear more.

Patty
